Compassionate and Personalized In - Home Care

At **Celestial Home Health Care, Inc.** we take a big leap of faith when it comes to caring for you and your loved ones. We believe that in addition to an excellent array of services, the care that should be provided should come from the heart. We understand that it is difficult to leave the care of your loved ones to a stranger, but we assure you that our caregivers are professional, reliable and most of all, compassionate.

Celestial Home Health Care, Inc. is a home health care services provider located in Chicago, Illinois. We offer a broad spectrum of services such as skilled nursing, speech, occupational & physical therapy, medical social services and home health aid.

Celestial Home Health Care, Inc. will contact the Illinois Telecommunication Access Corporation or ITAC to arrange services for any patient requiring TDD or TT devices as a communication method. At **Celestial Home Health Care, Inc.** our business hours are from 9:00 am to 5:30 pm, Monday thru Friday. However, a registered nurse is on-call after business hours so we are available 24/7.

With us, you are entitled to direct your own plan of care and to make the decision as to how the services will be administered.
